BUSINESS INTELLIGENCE RESEARCH ANALYST WITH DANISH, NORWEGIAN, SWEDISH OR DUTCH

iCOVER specializes in Wholesale of Background Screening & Business Intelligence solutions for the global market. We are an international company with operational headquarters in Paris, backed by a network of offices worldwide, which offer strategic global reach for all your business needs.

Our expertise lies in data collection, research & verification of information, analysis and reporting. Our clients know that we are diligent, always prepared to go the extra distance to deliver compliant, accurate and timely results. Our service is dedicated, professional and reliable.

Currently, for our team in Sofia, we are looking for a Business Intelligence Research Analyst with the following profile:

RESPONSIBILITIES

- Verifies background information and performs integrity checks;
- Prepares due diligence reports which include but are not limited to: criminal, credit, address, directorship, litigation, and media checks as well as telephone interviews with relevant sources;
- Identifies corporate and personal registration details as well as adverse information on red flag issues such as bribery, corruption, fraud, money laundering, etc.;
- Works well individually and/or with in-house research analysts or external partners - on the assigned cases;
- Ensures that each background and integrity check is being processed in full compliance with the established rules and with company's methodology, and provides the team leader with adequate feedback on each case;
- Participates in the processes of obtaining publicly available information in countries where the company does not have established processes;
- Develops cross sector sources through research and networking;

REQUIREMENTS

- Excellent command of written and spoken Danish, Norwegian, Swedish or Dutch
- High level of English is a great advantage;
- Analytical, and data mining skills; excellent Internet research knowledge;
- Strong communication skills, both written and verbal;
- Excellent time-management skills;
- Problem-solving and quality-oriented attitude;
- University degree in Law, Journalism, Economics, Human Sciences or equivalent.

WHAT'S IN IT FOR YOU

- Engaging job at a multinational company;
- Excellent remuneration package and work-life balance;
- Additional paid leave;
- A fun and interactive bonus scheme;
- Dynamic work environment and an enthusiastic team
- Class A office in the central district;
- Additional Health Insurance;
- Food Vouchers;
- Standard working hours;
- Multisport Card.
